

Safety in DPW Operations

Please join Warren County and NYMIR for a free half-day training presentation on the hazards associated with Chain Saw Operations, Chipper Operations, Workzone Safety and Dig Safely Operations.

Training will focus on the exposures present for these serious, injury-heavy Highway/DPW operations, with an emphasis on real-case injuries and accidents, controls for such exposures, NYS standards and best practices to assist in the prevention of injuries and accidents. Attendees should include Highway Superintendent, DPW Superintendents, and relevant department staff members.

Thursday April 7, 2016 8:30am- 11:30am

Located at: Warren County Human Services Building,
1340 State Route 9, Lake George, 3rd Floor Classroom AB

Cost: Free Safety Certificate credit: one half elective course
